This flowchart is only intended as a *visual aid*. You should refer to the **eDEP/TURA ONLINE FILING TIP SHEET** on DEP's TURA web page for more complete guidance on utilizing the online system. After **validating** most forms you will be presented with a screen titled **my current submittal**'. Clicking on **next** will bring you to a screen titled **'related forms'**. Clicking on **next** again will bring you to the next form requiring completion.

(The dashed lines represent that there may be multiple chemicals listed on the Form S Cover Sheet Section 4 which would result in multiple Form S Section 4's and there may be one or more State ONLY Form R/A's.)
